

## PLANNED PARENTHOOD DOES NOT CARE ABOUT YOU!

You can receive all the care you would get at Planned Parenthood plus more from:

[GETYOURCARE.ORG](http://GETYOURCARE.ORG)

Below is a map that shows all the locations of federally qualified health centers. Many of these centers cover STD testing, REAL BREAST EXAMS, dental exams, prenatal care, labor and delivery, pediatric care and psychiatric visits. They do have a sliding scale for charging fees dependent on your ability to pay. See the map below and follow the link above to find the closest center.

If you are pregnant and need assistance now at no cost, please go to AAA Pregnancy Resource Center just down the road.
